1. 대화를 듣고, 여자의 마지막 말에 대한 남자의 응답으로 가장 적절한 것을 고르시오.

W: Travis, I emailed you the video files for our social studies presentation.

M: Okay. I'll watch them and add subtitles.

W: What do you think about adding some background music?

M: _____

2. 대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

M: Joan, have you heard that Mr. Lee is coming back to school next week?

W: Really? I hope he is fully recovered.

M: As far as I know, he's okay now. I'm wondering if there's anything we can do to welcome him back.

W: _____

3. 다음을 듣고, 여자가 하는 말의 목적으로 가장 적절한 것을 고르시오.

W: Hello, students. I am Janet Donovan, your music teacher. As you know, the school is going to lend out tablet computers to students for the music project. For three weeks, students can use the computers to create their own music. I hope you will take full advantage of this opportunity, but there are some things that I'd like to remind you. The tablet computers are for everybody's use, so please handle them gently and be careful not to drop them. Don't download any apps that are not designated for the project. Also, I don't want the computers to become a distraction, so keep them off during the other classes. Have fun creating your own music, and I'll be looking forward to listening to your unique pieces!

4. 대화를 듣고, 남자의 의견으로 가장 적절한 것을 고르시오.

W: It's too stuffy in the classroom.

M: It really is. I think the air quality has gone bad since we turned on the heating.

W: Yeah. We didn't have such a problem during the fall.

M: It's a problem. Our chances to catch a cold increase when breathing in dry and dirty air.

W: What about opening the window more often?

M: I doubt it'll work. It's too cold these days, so if we open the window, somebody will close it immediately.

W: You may be right, but we can persuade our classmates.

M: Well, the air is not very clean outside. On some days, the concentration of fine dust is dangerously high.

W: Hmm.... Maybe you have some other good ideas.

M: Yeah. I think air purifiers should be installed in the classroom.

W: But it'll cost money to buy them and pay for the electricity bills.

M: It's worth the money, I believe. We can stay healthier and study better.

5. 대화를 듣고, 두 사람의 관계를 가장 잘 나타낸 것을 고르시오.

W: Good evening, Mr. Anderson. I'm Robby Webster. I was expecting you.

M: Hello, Ms. Webster. My friend Johnny said you're the person I'm looking for.

W: Thank you. So, what can I do for you?

M: My wife is going to have a baby this winter. I want my dog, Fluffy, to accept the baby as a new family member.

W: Sounds like you're a little worried.

M: Right. Fluffy is two years old, and he's quite aggressive to people outside the family.

W: Does he bark at people?

M: Yes. He even bites the people he doesn't like. I'm worried that he'd attack the baby.

W: I think he needs special training.

M: Do you think it'll finish before the baby arrives?

W: It depends on how fast he learns. For the first week, I'll visit your home and observe him. Then, I'll bring him here for the training.

6. 대화를 듣고, 그림에서 대화의 내용과 일치하지 않는 것을 고르시오.

M: Ms. Norton, what are you working on?

W: I'm making a bingo board to hand out to the students on our school field trip.

M: That's nice. Can I take a look at it?

W: Of course. *[Pause]* Since we're going to a farm, I wrote 'Farm Bingo' in the cloud at the top.

M: I see it clearly. And the cow on the left looks cute.

W: I like it, too. Next to the cow, I drew nine squares, three by three, for the bingo board.

M: What are the students going to write in them?

W: They'll write the name of the animals they see on the trip, such as ducks, goats, and sheep.

M: What are these lines under the squares for? Are they for some writing?

W: Yes. The students will write their favorite parts of the trip there.

M: Good idea. I also like the bus filled with children on the top right. They all look excited and happy.

W: Yeah, it's lovely, isn't it?

7. 대화를 듣고, 여자가 할 일로 가장 적절한 것을 고르시오.

M: Hey, Jamie. We need to discuss our club's solar eclipse observation.

W: Oh, yeah. The eclipse will take place next Tuesday, right?

M: Exactly. Tuesday at around 10:30 a.m.

W: Did you check the weather?

M: I did. It's going to be a perfect day for the eclipse observation.

W: Great. What are the things we need on that day?

M: Let's see. We need a video camera and solar filters for the camera to record the eclipse. Also, we need solar eclipse glasses.

W: Mr. Kim says he'll lend us our school's video camera along with solar filters.

M: I see. I'll go get them next Monday. Can we borrow the glasses from the school, too?

W: I almost forgot. Mr. Kim says we'll need to bring our own. I'll order the solar eclipse glasses for our club members right away.

M: Perfect. When they arrive, we'll be all ready.

8. 대화를 듣고, 남자가 긴소매 셔츠를 입은 이유를 고르시오.

M: Sandra, I'm going to the library. If you have some books to return, I'll do that for you.

W: No, thanks. I went there this morning. By the way, why are you wearing a long-sleeved shirt in this hot weather? Do you still have a bad cold?

M: No. I suffered a little, but I'm quite well now.

W: Then why a long-sleeved shirt? Isn't it hot?

M: Yes, a little bit. But I have to. I hurt myself while riding a bike yesterday.

W: Oh, no. Is it serious?

M: Not very much, but I got scratches on my left arm.

W: You must have slipped somewhere.

M: Yeah. On my way home, it suddenly started raining. I slipped on the wet road and fell with my bike.

W: Did you see the doctor?

M: No. I just put some bandages on the scratches and I'm wearing a long-sleeved shirt for protection.

9. 대화를 듣고, 여자가 지불할 금액을 고르시오.

M: Hello. May I help you?

W: Hello. I'd like to buy tickets for the palace tour. How much are they?

M: They are 10 dollars for an adult and 5 dollars for a child under 13.

W: I'd like to buy tickets for two adults and two children. And, is the Hanbok Experience Program available here?

M: Yes. It's a popular program. Who is going to wear the hanbok?

W: My two daughters. How much would it cost?

M: Each hanbok set for children costs 5 dollars.

W: I'll rent two sets. I've got this 20% discount coupon. Can I use it?

M: Sure, but it's only available for the Hanbok Experience Program, not for the palace tour.

W: Okay. Here's my credit card.

M: Thank you. Please go and choose hanboks for your children.

10. 대화를 듣고, Student Exchange Program에 관해 언급되지 않은 것을 고르시오.

W: Hey, Brad. When did you come back from England?

M: Last Saturday. I'm still a little tired.

W: How was the Student Exchange Program?

M: It was better than I had expected. I made many English friends.

W: Sounds like you had a good time. Where did you stay?

M: It was a homestay program, so I stayed with my host family in Manchester.

W: What did you do? Tell me more about the program.

M: It included attending a local high school class and field trips to museums.

W: It must have been a great experience. How long was the program, by the way?

M: It went for three weeks.

W: I'm thinking of participating in the program. How did you apply?

M: I saw an ad on my school website. After I submitted an application I had an interview.

W: I see. Maybe I should apply for it next year.

11. The 7th Kids' Day in the Park에 관한 다음 내용을 듣고, 일치하지 않는 것을 고르시오.

M: Hello, everyone. I'm Derek Johnson, the director of Bluebird Foundation. We're holding The 7th Kids' Day in the Park on October 25, 2017. It lasts from 1 p.m. to 5 p.m. at Sunrise Park. The 7th Kids' Day in the Park starts with a costume parade from Ancient History Museum to Rose Garden. Kids and parents can enjoy dances and performances in Rose Garden from 2 p.m. to 4 p.m. After that, there will be a treasure hunt, and the newest toys will be given away as prizes. This is a free event but we gladly accept your donation. All the money raised will be used to build the new Bluebird Community Gymnasium for kids. Do not miss out on a day full of great events and fun. See you there!

12. 다음 표를 보면서 대화를 듣고, 남자가 선택한 스노클링 세트를 고르시오.

W: Good afternoon, sir. How may I help you?

M: I'm trying to buy snorkeling sets for me and my wife, but I'm not sure what type I should buy. Can you show me some models?

W: Sure. Here's our catalog. Which snorkel type would you like?

M: Hmm. This is my first time snorkeling. What would you recommend?

W: Well, for the beginners, we usually recommend the dry type. It's easier to use than the classic type.

M: Okay, I'll take the dry type. What about the mask lenses? What are the differences between the mask with one lens and the one with two lenses?

W: If you want a wider view, a mask with two lenses would be better.

M: All right, then. I'll choose the ones with two lenses. Should I also consider the strap?

W: Yes. The price is higher, but it's much more comfortable with a strap.

M: Okay, I'll take the ones with a strap, then.

W: You made a good choice.

13. 대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

Woman: _____

M: Hey, Ashley, what are you looking up on the Internet?

W: I'm checking out some fantastic spots around the town.

M: Fantastic spots? What do you mean?

W: I mean, places with beautiful nature. I'll take selfies there.

M: Sounds interesting. Is it for a special purpose?

W: Yes. It's a part of a campaign called "Save the Earth for Everyone."

M: Hmm.... How does taking selfies help save our planet?

W: I'll take pictures in those spots with this miniature globe in my hand. And then, I'll post the photos on my blog.

M: So does the globe you're holding represent the Earth?

W: Exactly. By sharing my photos, I'd like to tell people that saving our planet starts with protecting these wonderful places.

M: That's brilliant. Can I help you find some more places for the campaign?

W: _____

14. 대화를 듣고, 여자의 마지막 말에 대한 남자의 응답으로 가장 적절한 것을 고르시오.

Man: _____

W: What's wrong, honey?

M: Today Amy said that she didn't eat the cookie on the shelf, but you know what? It was a lie.

W: Well, Amy does that a lot these days.

M: It's so frustrating. I'm worried that she may lie about other things too.

W: Don't take it seriously. Lying is normal for kids of her age.

M: What do you mean?

W: I read an article and it says that kids aren't born with a moral code.

M: Are you saying that they don't know lying is bad?

W: Yes. They don't do that to hurt others, either. It's a natural part of growing up.

M: Really? Should we just wait?

W: No. We do need to tell her that lying is wrong, but we don't have to get angry every time she tells a lie.

M: _____

15. 다음 상황 설명을 듣고, Kate가 Troy에게 할 말로 가장 적절한 것을 고르시오.

Kate: _____

W: Troy is an office worker and commutes by subway. This morning, he gets up a little late so he is in a hurry. Kate, Troy's sister, is watching TV and finds that the subway line Troy usually takes is out of order. She tells Troy the subway temporarily stopped and advises him not to take the subway. Troy says he'd take a taxi, but Kate thinks that it'd be very hard to get a taxi this morning. There's a bus that goes to Troy's office, but if he takes the bus, he'd be half an hour late for work. Still, Kate wants to advise that it'd be a better choice than taking a taxi. In this situation, what would Kate most likely say to Troy?

16번부터 17번은 두 번 들려줍니다.

[16 ~ 17] 다음을 듣고, 물음에 답하십시오.

M: Good morning. How do you feel today? We all know that what you eat can affect your weight, your mood, and even the chances that you'll get sick. But did you know that it can also affect your productivity? Here are some things you can do to keep your energy level up to achieve more. First, make sure you eat breakfast. Just a glass of orange juice or a yogurt in the morning is better for your productivity than nothing. It will wake up your body and get you ready for the day. The next thing you should consider is blood sugar. Low levels of blood sugar can kill your performance. So next time you hear your stomach at work, eat something that contains carbohydrates, such as bread and cereal. Fruits such as bananas and apples can help, too. Finally, remember that eating junk food is a quick way to lose your alertness at work. It would be better to eat nutritious foods such as nuts and seeds instead. Simply follow these ways and keep yourself attentive and sharp all day.
