ANN: 이제 시작하겠습니다.

1번 대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

M: The speech contest starts in a few hours. Are you ready, Paula?

W: Actually, no. I'm afraid I'm going to make stupid mistakes in front of the judges.

M: You have time to practice. Would you like me to help you with that?

W: _____

2번 대화를 듣고, 여자의 마지막 말에 대한 남자의 응답으로 가장 적절한 것을 고르시오.

W: Brian, are you done preparing for tomorrow's sales meeting?

M: Sure. I just finished copying all the documents. You asked for 10 copies, right?

W: Yes, I did. But what if there are more people than we're expecting?

M: _____

3번 대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

M: Amy, did you hear that announcement? Wasn't it about our flight to New York?

W: Yes, it was. Our flight has been delayed until further notice due to the bad weather.

M: Then, what shall we do while we wait?

W: _____

4번 다음을 듣고, 여자가 하는 말의 주제로 가장 적절한 것을 고르시오.

W: Good morning, students! Before starting the class, let me tell you about an interesting study on the brain. Does anybody like to watch sad movies? A recent study shows that watching sad movies may boost our tolerance to pain. Researchers found sad movies can increase the endorphins released by our brains. As we learned before, endorphins made in our body naturally relieve physical and psychological pain. The researchers say that the emotional feelings you get from sad movies stimulate the endorphin system and help you deal with physical and psychological pain. Keep this in mind the next time you're in pain.

5번 다음을 듣고, 남자가 하는 말의 목적으로 가장 적절한 것을 고르시오.

M: Hello, everyone! I'm Jason Park from the Wildlife Protection Center. We often receive phone calls from people, complaining that their neighbors keep giving food to the wild animals in spite of our on-going campaign against it. By providing them food, more wild animals are attracted to our neighborhood and could present a danger to residents. Also, feeding wild animals makes them dependent on people. So for both the well-being of your neighbors and the wild animals, think twice when you and your children feel like feeding them. Thank you for your cooperation.

6번 대화를 듣고, 남자의 주장으로 가장 적절한 것을 고르시오.

W: Jinsu, you look upset. Anything wrong?

M: I've been running around the school trying to print out my assignment. I have to submit it in thirty minutes.

W: Uh-oh. There aren't any printers for students in the school.

M: No way! I printed it out at home, but I found some errors and need to reprint it.

W: Oh, no! What are you going to do?

M: I'll ask my math teacher if she can do it. It's really inconvenient that there's no printer for students.

W: I couldn't agree with you more. I experienced the same thing last week.

M: I think we should have printers for students to use at any time.

W: Absolutely!

M: I'll ask the student council to do something about it.

W: That's a very good idea.

7번 대화를 듣고, 여자의 의견으로 가장 적절한 것을 고르시오.

M: Minji, I was really impressed by your English presentation last week.

W: Thanks, Junho.

M: What's the secret to your excellent English?

W: Well... I think watching movies helped me a lot.

M: What do you mean?

W: I always try to watch English movies without subtitles.

M: Really? But don't you have trouble understanding the movies?

W: Of course, it was difficult at first. But if you keep trying, it'll definitely help improve your English.

M: I see. I think I'll try that.

W: I'm sure that over time, watching English movies without subtitles will help build your confidence in English.

M: Thanks for your advice.

8번 대화를 듣고, 두 사람의 관계를 가장 잘 나타낸 것을 고르시오.

M: Hi, Ms. Carter. It's great meeting you.

W: You, too, Mr. Scott. Congratulations for being named this year's MVP.

M: Thank you. I was really thrilled when they called my name.

W: Every fan knows you fully deserve the honor. Can we start our interview now? Have you read all the questions I sent you?

M: Yes, I have. And, by the way, I enjoy reading your newspaper article every week.

W: Thanks so much. Well, my first question is about your routine while you're getting ready to bat.

M: Ah! Yes. Many say that mine is different from other baseball players'.

W: That's true. Is there any reason for that?

M: It's a kind of routine that helps my hitting.

W: Okay. Then let's talk about that in detail.

M: Number Three

M: Right. I'm glad that we have one in our neighborhood.

M: Number Four

W: What a lovely dog he is! How would you like his haircut?

M: Since summer's coming up, I'd like it short.

M: Number Five

M: I'm sorry. I'll put his leash on.

10번 대화를 듣고, 여자가 남자를 위해 할 일로 가장 적절한 것을 고르시오.

W: Good. How's your interview preparation going?

M: Well, I've downloaded the interview questions from last year and reviewed them.

W: Good. I think you'll do great at the interview.

M: I hope so, but I'm really worried. Is it possible to do a practice interview here at the school?

W: Of course you can.

M: Okay, I'll do it. Do you think there's anything else I can do to prepare?

W: Hmm... let me think. Oh, I remember. One of my students who graduated last year goes to Hankook University. He could be helpful.

M: Really? I'd like to talk with him if I could.

W: Oh, do you? Well, is there any problem with the basketball club?

M: Not at all. I'm doing great with our members preparing for the national competition.

W: Then what makes you want to change your club? Does it take too much time to practice for the competition?

M: No, I don't have any problem with time. It's just that my interests have changed.

W: I remember you were interested in sports management.

M: Yeah, I was. But I fell in love with big data analysis after taking the big data course.

W: All right. I support your decision.

M: Thank you for your understanding. I'll do my best in the new club next semester.

W: I'm sure you will.

12번 대화를 듣고, 여자가 지불할 총 금액을 고르시오.

W: Oh, both of them look great. How much are they?

M: The bigger one is \$300 and the other one is \$250.

W: Let me see. I'd like the bigger one. Could you recommend a chair to go with the desk?

M: How about this one? It's originally \$200 but we're having a promotion. You can get a fifty percent discount if you buy it with a desk.

W: Really? That would be wonderful. So you mean this chair would cost \$100, right?

M: Correct.

W: I love it. I'll buy both the desk and the chair. And do you charge for delivery?

M: Normally, the fee is \$30. But since you're spending more than \$300, you get free delivery.

W: Excellent. Here's my credit card.

13번 대화를 듣고, Senior Community Dinner Party 준비에 관해 언급되지 않은 것을 고르시오.

M: Hey, Grace. I heard you were in charge of the Senior Community Dinner Party last year.

W: Hi, Jake. Yes, I was. It's your job this year, right?

M: Yeah. Since you have experience, could you give me some tips?

W: Okay, let's see. Firstly, make sure to send out the invitations early enough.

M: Oh, Paul already sent the invitations.

W: All right. It's also important to let the guests know about the menu information in advance.

M: I see. Is it because of food allergies?

W: Right. And it would be nice to prepare some games for after-dinner activities.

M: Definitely! I remember having so much fun playing games last year.

W: I guess that's all I can think of.

M: What do you think of giving thank-you cards to the guests at the end of the dinner?

W: I see. Let's decide on which type you want.

M: I want to get a cordless one this time.

W: Right. That would be more convenient to use.

M: Okay. When it comes to vacuum cleaners, suction power is the most crucial. Air watts is the suction power, right?

W: Yeah. Lower air watts means lower suction power.

M: Okay, I'll buy one with more than 120 air watts.

W: That's a good idea. Then you should choose one of these two.

M: All right. I'll buy the one with the longer warranty.

W: Sure. The longer, the better.

M: That would be interesting. But I'm afraid getting information about the area wouldn't be easy.

W: Don't worry. I have a good plan. My uncle can help us.

M: Your uncle? How can he help us with our presentation?

W: He's an environmental scientist, and is doing research on Northern Africa.

W: Sure! Last year not many students participated in the campaign, right?

M: Right. Then how can we get students to pay more attention to this year's campaign?

W: An impressive campaign slogan could work.

M: Great. We need to make a slogan, then.

【19-20】 다음을 듣고, 물음에 답하십시오.

M: Good morning, everyone. As a florist, I'm honored to be here to speak to you about flowers. You probably like flowers because of their beauty and smell. But did you know that flowers in our living spaces offer many health benefits? Here are some examples. First, the pleasant smell of roses can lower heart rates and blood pressure, and decrease stress levels. Peace lilies are another example. They're known to clean the air. People who have peace lilies in the house are less likely to suffer from breathing troubles, stuffy noses, and coughing. Also, lavender is the perfect remedy for dry skin. It releases moisture that is needed for the health of your skin. Last is chamomile. This flower can be effective for relieving headaches. It's also recommended for people who have trouble sleeping. Now, let me show you some video clips.
