ANN: 이제 시작하겠습니다.

1번 대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

M: Have you heard any news on your job interview last week?

W: Yeah, they offered me a job, but I don't know if I will take it.

M: Really? What makes you hesitate?

W: _____

2번 대화를 듣고, 여자의 마지막 말에 대한 남자의 응답으로 가장 적절한 것을 고르시오.

[Phone rings.]

W: Hello, Happy Delivery Services.

M: Hello, my name is Larry Baker. I'm supposed to receive a package today, but I'll be out all day long.

W: Is that so? Then we can leave the package wherever you want.

M: _____

3번 대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

M: Mary, aren't you finished? You're going to be late for school.

W: Don't worry, Dad. I'm almost done. Just give me three minutes.

M: Fine, but no more than that. I'll be waiting in the car.

W: _____

4번 다음을 듣고, 여자가 하는 말의 주제로 가장 적절한 것을 고르시오.

W: All right, players. Before we go out there, I'll tell you something you have to keep in mind. Whenever you play, there is a possibility that you could be physically injured. Sometimes, I find that you try to ignore the pain from an injury in order to keep playing. But remember! When you do so, you're putting yourself and your team at risk. As your coach, I know that I always tell you to be mentally tough, but ignoring injuries is not a sign of toughness at all! If you're hurt, be sure to get immediate medical care. Even a slight injury can become really serious if it's not treated properly at the right time. It can even threaten your athletic career. You're all young and have so many years to play. All right? Now let's go!

5번 다음을 듣고, 남자가 하는 말의 목적으로 가장 적절한 것을 고르시오.

M: Hi, I'm Principal Louis. I hope you enjoyed watching your children perform during the musical today. Before you go, I have an announcement to make. As some of you may know, there will be road construction on 6th Street next week to replace the broken water pipes and repave the sidewalk. Due to the construction, the street will be closed for five days, from Monday to Friday. During this period, the school bus routes will be changed to other nearby streets. Please check the changed routes and times on the school website. Thank you for your attention.

6번 대화를 듣고, 여자의 의견으로 가장 적절한 것을 고르시오.

W: Honey, what are you reading?

M: I'm reading an article about retired life.

W: Yeah, time really flies.

M: I think we could move to a rural area after retirement.

W: I don't see why you want to do that. I believe cities are much better for retired people.

M: Do you really think so? I think living near nature would be good for our health.

W: But there aren't enough health facilities. It's much easier to get medical care in cities.

M: Well, the countryside is calm and peaceful. We can also grow vegetables for us and our children.

W: We can do that in the city, too. And we can see our children often while living in the city.

M: It could be a little inconvenient to get together, but we can make phone calls.

W: That wouldn't be enough. You'd probably come to regret moving to the countryside soon enough.

7번 대화를 듣고, 남자의 의견으로 가장 적절한 것을 고르시오.

W: Jeremy, you look very pleased. What's up?

M: My students gave me positive feedback on my discussion-based class.

W: What do you mean by discussion-based class?

M: I changed my teaching style recently. I put the focus on discussion instead of lecture.

W: Did it work well?

M: Yes. Discussion activated their thinking abilities and made them more enthusiastic.

W: But discussion classes aren't easy for teachers unfamiliar with that strategy.

M: Right. It might be time-consuming, but more students started to express their own opinions in class.

W: Really? Sounds like students show more interest in class now.

M: Sure. And they're also less distracted. That's why I think more teachers need to adopt their own discussion-based classes.

W: Hmm... I guess I need to think about changing my own teaching method.

M: You bet. I strongly recommend it.

8번 대화를 듣고, 두 사람의 관계를 가장 잘 나타낸 것을 고르시오.

M: Kate, are you okay? You don't look well.

W: I have a sore throat, but it's not that serious.

M: That's why your voice was weak when you sang the duet with Mike.

W: Yeah, I know. I'm drinking lemon tea with honey to soothe my throat.

M: Good. By the way, at the last scene of the first act, I think it's better for you to take two steps forward.

W: Oh, do you think so?

M: Yes, that can help you deliver your delicate emotions to the audience better.

W: I see. Do you want me to try that scene again now, Mr. Jones?

M: No, let's do it tomorrow. I have a meeting with the music staff in 10 minutes.

W: All right. I think I'll feel better after a good night's sleep.

M: I hope so. Oh, did you check your costumes for the rehearsal? We have just one week left until Opening Night.

W: Not yet, but I will before going home.

9번 다음 그림의 상황에 가장 적절한 대화를 고르시오.

W: Number One

M: I'd like to buy a picture for my dental office.

W: Well, you can get a nice one at Peter's Gallery.

W: Number Two

W: Number Three

W: I can suggest a product that comes in a lotion.

W: Number Four

M: Do you know how to change the lights?

W: Sure. How many lights do you want to change?

W: Number Five

M: I have a terrible toothache. Especially my back tooth.

W: Let me look at it. Open your mouth wide.

10번 대화를 듣고, 여자가 남자에게 부탁한 일로 가장 적절한 것을 고르시오.

M: Sandra, you've been practicing the violin so hard.

W: Hi, Calvin. Our club members are planning to hold a small concert at Rainbow Children's Hospital next weekend.

M: You mean the hospital where you've been doing volunteer work once a month?

W: Right. Thanksgiving Day is coming up but some children have to stay at the hospital even on that day. That's why we planned this event.

M: Wonderful! I'd like to join you but I don't know how to play any musical instruments.

W: Maybe there is something else you can do for us.

M: Tell me anything. I'm willing to help.

W: We're supposed to bake cookies for the children. Could you make them with us?

M: Sure. Actually, I'm pretty good at baking.

W: That will be great!

11번 대화를 듣고, 여자가 책을 사려는 이유를 고르시오.

W: William, come over and take a look at this picture book.

M: Why? Is that for your nephew?

W: No, no. Look at this name and photo! Can you recognize the illustrator?

M: Oh, wow! Robin Marx? Our high school classmate?

W: Yeah, that's him. I haven't heard about him for a long time.

M: Well, you always said he was talented with painting. And I remember being impressed by his drawings in art class.

W: You're right. I'm glad he's doing well.

M: So, are you going to buy the book?

W: Sure. It'd be nice to own a book illustrated by one of our classmates.

M: I see. Maybe we can find his phone number and give him a call.

W: Yeah, I might do that.

12번 대화를 듣고, 남자가 지불할 총 금액을 고르시오.

[Phone rings.]

W: Hello. Dream Photo Studio. How may I help you?

M: Hello. I'd like to make a reservation for a family photo. How much does it cost?

W: In the case of a family photo, we charge \$200 for a picture plus a picture frame. When do you want to visit us?

M: I'd like to visit you on May 14th. Is it available?

W: Yes, it is. We offer a 10 percent discount in May for "Family Event Month".

M: Great. Can I also get the photo files?

W: Sure, but we always charge extra for photo files. The current promotional price is \$10.

M: Okay, then I'll add the photo file option. Can I come at 3 p.m.?

W: That's fine. Your name and phone number, please?

M: Kevin Brown and my contact number is 230-2465. Should I pay now?

W: No, you can pay later. Thank you and see you on May 14th.

M: Thank you.

13번 대화를 듣고, Youth Filmmaker Workshop에 관해 두 사람이 언급하지 않은 것을 고르시오.

W: James, did you see the poster about the Youth Filmmaker Workshop?

M: Yes. I did.

W: It'll be held from July 24th to the 28th. Will you be at the workshop?

M: Well, I'm hesitating because of the participation fee.

W: Yeah, \$400 for a five day-workshop is quite expensive. But if you register by the end of this week, you can save \$20.

M: It still sounds expensive to me. But the fact that Terry Murphy is the instructor is very appealing.

W: He's my favorite filmmaker. I was very impressed by his movie *Hilltop House*. He wrote the screenplay and directed the movie himself.

M: He's a really gifted filmmaker. The participants will learn a lot from him about screenplay writing, acting, and filming.

W: Right. I hope you join the workshop with me.

M: I still can't make up my mind because of the fee. I'll think it over and let you know.

14번 English presentation contest에 관한 다음 내용을 듣고, 일치하지 않는 것을 고르시오.

W: Good morning, everyone! I know how much you're looking forward to the English presentation contest next Friday. I'd like to remind you of some guidelines to keep in mind. This year the topic for the presentation is environmental conservation. You can enter the contest as an individual or a group of two or three. You're supposed to follow the five minute time limit, and presenters who go over time will lose a point. The presentation slide count should not exceed 15, and you're not allowed to use video clips. Finally, proper gestures can result in extra points, and that may help you get first place. I wish you all good luck in the upcoming contest.

15번 다음 표를 보면서 대화를 듣고, 두 사람이 예약할 회의실을 고르시오.

W: Mr. White, did you choose a conference room for our annual meeting next week?

M: Actually, I'm doing it right now. Would you help me choose one?

W: Okay. How many people are coming?

M: 100 to 150 people. Right now, 80 people registered for the conference.

W: Then we have to reserve a room for at least 100 people.

M: That's right. And it'll be held on Saturday.

W: Yes, I know. We can't choose these two halls because they aren't available then.

M: Yeah. So we have two places to choose from. We have \$500 as our budget, right?

W: Yeah, so we have no choice but to take this one.

M: All right. I'll make a reservation for this hall.

W: Good.

16번 대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

W: Hi, Robert! Good to see you!

M: Good to see you, ma'am. How did your friends react to your hairdo last time?

W: My friends really liked it, so I recommended you as a hair designer to them.

M: Thank you. What would you like to do today?

W: As usual, please cut off about 3 inches overall and trim the hair around the forehead.

M: Okay. How are you doing these days? Is there any interesting news?

W: Actually, my daughter's wedding is next weekend.

M: Wow, congratulations! Then, how about dying your hair? Some hair is getting gray.

W: I know, but last time I had my hair dyed, it irritated my skin.

M: Really? I just thought you would look younger with brown hair.

W: _____

17번 대화를 듣고, 여자의 마지막 말에 대한 남자의 응답으로 가장 적절한 것을 고르시오.

W: Paul, did you call the service center for the refrigerator?

M: Yes. But they said that they can't visit us today. No electricians are available.

W: Well, it needs fixing really soon. Think about all the food there.

M: I know. I called them twice. They repeated we have to wait until tomorrow.

W: Then what should we do? We have to do something today.

M: I wish I could fix it myself or knew someone who could.

W: Wait! Come to think of it, I might call Michael and ask for help.

M: Your cousin? Has he ever done this kind of job?

W: If I remember correctly, he sometimes fixes home appliances.

M: Oh, really? You think he can fix our refrigerator?

W: I'm not sure, but at this moment, he's the only option we have.

M: _____

18번 다음 상황 설명을 듣고, Stephanie가 Ryan에게 할 말로 가장 적절한 것을 고르시오.

After spending some time at the museum, they find out that they don't have enough time to visit both the local art center and the old castle. Stephanie knows how much Ryan wants to see the castle, but she doesn't want to miss the chance of meeting local painters in the art center. She wants to suggest that they visit their favorite places separately. In this situation, what would Stephanie most likely say to Ryan?

【19-20】 다음을 듣고, 물음에 답하십시오.

W: Have you ever heard of voice phishing? These days voice phishers are targeting us and many people fall victim. It's really important to protect yourself from these criminals, and knowing some typical tricks they use will be very helpful. Sometimes you can get a call from an unknown number saying "Congratulations! You've won a free trip to Hawaii!" Please don't get fooled. What about suggestions for automobile loans, student loans, and small business loans? They're all typical types of phishing. Also, be careful not to waste your money on fake charities. Recently, fake charities are the most common type of voice phishing, and they collect money from unfortunate donors. Lastly, you may get a phone call about a big investment opportunity. But remember! There is no such thing. They'll just take your money and run away. Always keep in mind that there are voice phishers everywhere trying to trick you out of your money day and night. I hope no one falls victim to phishing. Thank you for listening.
