1번 대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

M: I don't feel good these days. I think I should start exercising.

W: That's a good idea. Do you have any particular exercise in mind?

M: Actually, any exercise would be great for me. Is there anything that you would recommend?

W: _____

2번 대화를 듣고, 여자의 마지막 말에 대한 남자의 응답으로 가장 적절한 것을 고르시오.

[Telephone rings.]

W: Blue Shoes Customer Service. How may I help you?

M: Hi. I received the shoes I ordered online, but unfortunately, there's something wrong with one of them.

W: We apologize for the inconvenience. To help you better, could you describe the issue in detail?

M: _____

3번 대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

M: Judy, the preparation for the upcoming art exhibition is more time-consuming than I expected.

W: I agree. I'm exhausted, but I still have a lot of artwork to make.

M: We need a break. Why don't we take a break and get some fresh air?

W: _____

4번 다음을 듣고, 여자가 하는 말의 주제로 가장 적절한 것을 고르시오.

[Radio signal]

W: Hello, *Happy Cooking* listeners. This is Mary. I want to share useful information on storing certain vegetables to maintain their freshness. Did you know that it's better not to store potatoes, garlic, and onions in the refrigerator? Unlike many other vegetables, these items are best kept in a dry place at room temperature. Refrigerating them can diminish their flavor. Moreover, it's advisable to keep onions away from potatoes as they emit gases that can cause both to spoil more quickly. So, the next time you purchase these vegetables, consider the best way to store them.

5번 다음을 듣고, 남자가 하는 말의 목적으로 가장 적절한 것을 고르시오.

[Chime rings.]

M: Good afternoon, colleagues. I'm Jack, your team leader. I have an important announcement regarding the retirement of our dedicated team member, Mr. Robert Anderson. For the past 30 years, Mr. Anderson has been an invaluable asset to our company. In recognition of his outstanding contributions, we will be hosting a retirement ceremony in the conference room at 4 o'clock tomorrow. This marks the conclusion of Mr. Anderson's professional journey with us. It will include speeches and expressions of gratitude for him. I'm looking forward to your participation as we celebrate Mr. Anderson's career and extend our best wishes in his retirement.

6번 대화를 듣고, 여자의 주장으로 가장 적절한 것을 고르시오.

W: Kevin, are you sick? You look like you're in pain.

M: My shoulders and neck have been hurting since last Tuesday.

W: I think that's because you sit at your computer all day with your head bent down.

M: I didn't know I did that. That's why I have such symptoms.

W: I have a solution for you. You should adjust the height of your monitor when you sit down at the computer.

M: What do you mean?

W: You have to adjust the monitor to fit your posture. If your monitor is not at the right height, the weight of your head makes your shoulders and neck pull forwards causing strain.

M: It sounds easy enough. Then what is the proper height?

W: You should make the center of the monitor level with your eyes, by adjusting the height.

M: All right. Thanks for the helpful information.

7번 대화를 듣고, 남자의 의견으로 가장 적절한 것을 고르시오.

M: Honey, I was so busy today that I didn't have time to eat lunch. I'm starving.

W: Okay, dinner will be ready soon. But, I just started. Can you wait?

M: Of course. While I wait, I'll look at pictures of my favorite food.

W: Hmm... Is that such a good idea? Seeing pictures of your favorite food may make you more hungry.

M: Actually, it doesn't. Looking at pictures of what I want to eat makes me feel full.

W: What's the principle of that? Does it trick the brain?

M: Exactly! Seeing pictures of the food activates the same brain area as eating the food does.

W: I'm surprised because it's the opposite of what I thought.

M: I thought the same way at first. It's amazing how we can feel full by just thinking about eating.

W: Okay! Then, take a look at all the delicious food pictures you want and wait while I make dinner.

8번 대화를 듣고, 두 사람의 관계를 가장 잘 나타낸 것을 고르시오.

M: Hello, viewers! I'm Jeffrey. I'm visiting Kate at her recording studio. Hello, Kate. It is such an honor to finally meet you in person.

W: Nice to meet you, Jeffrey.

M: First things first. Congratulations! Your song has taken the number-one spot on the music chart.

W: Yeah, I can't believe it.

M: You know, it's been over 20 years since its first release. Amazingly, it is now gaining even more attention than it was at that time.

W: That is correct. When it was first released, it was not as popular as it is now.

M: Wow. Then why do you think people love this old song now?

W: Well, I'm not sure. People seem to pay more attention to old songs these days.

M: I see, Kate. I'm looking forward to seeing you more on stage, too.

W: Thanks, Jeffrey.

W: It's all because you reserved a good place. Let's come again next time.

M: Let's do that. There's not much time left to check out. Let's clean up and get ready to go home.

W: All right. Actually, we are short of time, so how about dividing the work to get things done quickly?

M: Okay, great idea. I'll put the remaining food in the cooler.

W: Well, I'd better take that job. Can you please separate our trash and dispose of it?

M: Of course. Is there anything else?

W: That's all. After the cleanup is done, we'll have some time to take a photo together in front of our tent.

M: Good idea. Then let's hurry up and do our jobs!

W: Okay, let's get to work.

11번 대화를 듣고, 남자가 학교에 지각한 이유를 고르시오.

W: Why were you late today, Mike? You have never been late to school.

M: I'm so sorry, Ms. Smith.

W: I'm curious. Did you oversleep this morning?

M: No, I woke up on time.

W: Then, did the bus you took run late?

M: No, that wasn't the issue, either.

W: So, what happened?

M: On my way to school, I came across an elderly lady who seemed lost. I helped her find her way, and that took some time.

W: I see. It's great to help others. However, it's also important to be on time.

M: I understand, Ms. Smith, but I didn't know it would take that long.

M: Okay. I'll keep that in mind.

W: These vegetables look so fresh.

M: Yeah, they are all organic.

W: I see. How much are these eggplants?

M: The large ones are 2 dollars each, and the small ones are just 1 dollar each.

W: Well, that sounds reasonable.

M: Actually, they are locally grown and of high quality.

W: Okay. Let me have 5 large eggplants. Oh, the carrots look good, too.

M: Yeah, these are so crisp. They are 1 dollar each.

W: Umm... 5 carrots, please. How much are these cherry tomatoes?

M: They're 15 dollars for a box.

W: Okay. I'll take one box, please. I think that's all I need. Ah, I have a membership card here.

M: Then, you can get a 10 percent discount off the total.

W: Great. Here's my credit card.

13번 대화를 듣고, AI chatbot의 기능에 관해 언급되지 않은 것을 고르시오.

M: Have you ever used an AI chatbot?

W: No, I haven't tried that yet. Have you?

M: Yeah, I had a conversation with one, and it was really interesting.

W: Oh, really? What features does it have?

M: Well, it has a voice recognition feature, so you can have a casual conversation with it.

W: Oh, that's cool. What other functions does it have?

M: If I ask about tomorrow's weather, it can provide the information.

W: Isn't that something you can do with a web browser?

M: Yes, but here's more. If I tell the chatbot how I'm feeling, it searches music that suits my mood and plays it.

W: That sounds interesting.

M: Another feature is that if I mention my schedule, it reminds me later so I don't forget.

W: That could be really useful. I should give it a try, too. Thanks for sharing!

W: Oh, great! Let's take a look. All five courses have two classes a week.

W: Yes. First, we should avoid the course that has a class on Friday evenings.

M: Right. That's when we do our volunteer work at the senior center.

W: Oh, I can't take a yoga lesson on Thursdays, either. As you know, I have a book club meeting with my co-workers every Thursday evening.

M: Then, only two options are left. How about the course that has a Monday class?

W: I tried to solve many practice questions on physics. However, when I took the mid-term exam, it was hard for me to get the answers.

M: I know you did your best. Don't be discouraged. By the way, did you read the textbook?

【19-20】 다음을 듣고, 물음에 답하십시오.

W: Welcome back to the Do Your Furniture program. Last class, you learned about woodworking. Today, let's talk about some materials you can apply to your wooden furniture. There are various types of materials that can protect or enhance the surface of your wooden furniture. Firstly, wax is a traditional product for wooden furniture, which makes the surface water-resistant and stain-resistant. Wax, however, needs regular maintenance because it damages easily. Compared to wax, varnish provides a more durable protection over time. Varnish is a clear and shiny liquid material. Next, natural oils are very popular among carpenters as they tend to enhance the wood's character, without changing its color or texture. Finally, wood stain, a kind of wood paint, is designed to change the wood's color while preserving the visible pattern. Now, let's watch a short, related video.
