ANN: 이제 시작하겠습니다.

1번 대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

M: Hey, Emily. Did you hear about the tennis club in our apartment complex? They're looking for new members.

W: Tennis? I've been interested in it but never played it before.

M: Don't worry! The club is open to everyone, regardless of skill level.

W: _____

2번 대화를 듣고, 여자의 마지막 말에 대한 남자의 응답으로 가장 적절한 것을 고르시오.

W: Mr. Choi, did you know that I'm organizing the upcoming science project contest?

M: Yes, I did. It's always exciting to see the projects students make. Is there anything I can do to help?

W: Yes, I'm looking for one more judge, and I thought you'd be perfect.

M: _____

3번 대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

M: Honey, don't you feel that the air in our home is somewhat stuffy?

W: You're right. Recently, the air quality has been very poor. We need to do something.

M: I read that there are some indoor plants which can help improve the air quality at home. Why don't we buy some of those plants?

W: _____

4번 다음을 듣고, 여자가 하는 말의 주제로 가장 적절한 것을 고르시오.

W: Hello, students. I'm your school nurse, Ms. White. There are lots of students coughing these days. When you've got a sore throat, drinking hot beverages slowly can be a game-changer. They help you feel less pain and reduce the swelling in your throat. The heat relaxes the muscles in your throat, easing discomfort. Plus, hot drinks like tea or warm water with honey can coat your throat and provide relief when you cough. Additionally, the steam from hot drinks can loosen breathing passages to make you feel better. So, why endure the discomfort? Fill your cups with hot beverages!

5번 다음을 듣고, 남자가 하는 말의 목적으로 가장 적절한 것을 고르시오.

M: Good morning, everyone! I'm Jack, an organizer of the upcoming Oakville Festival! In this festival, we're preparing a special event, called Our Unforgettable Moments. It's all about showcasing your favorite memories from this year in Oakville. We're eagerly receiving your photos that truly capture fun events, pretty views, or precious moments in Oakville. Search the photo albums on your smartphones and upload two or three pictures onto our website by next Friday. Just imagine your snapshots lighting up the town festival! Let's create new memories together at the Oakville Festival! We hope to see your pictures there!

6번 대화를 듣고, 여자의 주장으로 가장 적절한 것을 고르시오.

W: Jake, get up. It's already 8 o'clock.

M: Sorry, Mom. It's hard to wake up. Last night I went to bed at 2 a.m.

W: Again? I'm afraid you go to bed too late these days.

M: Well, I can concentrate better at night. So, I can perform well in my studies.

W: If you stay up so late, don't you feel really sleepy at school?

M: Yes, I do. But there's so much to study with exams approaching.

W: However, getting enough sleep can be more helpful for your studying. I'm sure it helps improve your physical condition and concentration.

M: Oh, really? I didn't know that.

W: Staying up late increases tiredness, disrupting your studies. Remember, Jake, getting sufficient sleep is actually more effective.

M: Okay. I'll try to go to bed earlier from now on.

7번 대화를 듣고, 남자의 의견으로 가장 적절한 것을 고르시오.

M: Lisa! Look over there. The serving robot brings food to each table.

W: Oh, how great! Working robots will be more common as time goes by.

M: By the way, are robots always beneficial to humans?

W: Of course. Robots will save us time and labor.

M: I don't think so. When humans use robots, some problems may arise.

W: Really? I don't see any disadvantages in using them.

M: First, as robots take over many tasks that humans have always done, there will be more unemployment.

W: But I don't think all human jobs are threatened yet.

M: I agree, but the more technology advances, the more threatened we will be. Plus, if we rely too much on robots, we might become more careless in our work.

W: I understand. I've heard of accidents caused by people relying too much on self-driving cars.

M: The use of robots will increase, but it won't necessarily be good for us.

W: I see.

8번 대화를 듣고, 두 사람의 관계를 가장 잘 나타낸 것을 고르시오.

M: Hello. It's been about two months since your last visit.

W: Yes, Mimi's skin problem got better after I gave her the medication that you prescribed. Thank you.

M: Good. What can I do for you today?

W: Mimi hasn't been eating well recently.

M: You must be worried. Let me see. *[Pause]* She looks okay, but cats are picky animals, so you have to be more careful when feeding them.

W: I see. Should I change the food?

M: You don't have to do that yet. Mix the food with warm water. Increased moisture provides a softer, more edible texture.

W: Okay. I'll try that today.

M: If she still isn't eating well, please visit again.

W: Thank you.

9번 다음 그림의 상황에 가장 적절한 대화를 고르시오.

M: Number One

W: I'd like to buy a foldable phone. Do you have any?

M: Of course. Actually, a brand-new one came out just yesterday.

M: Number Two

W: What are you doing with your phone? The light is so annoying.

M: Oh, I'm sorry. I'll turn it off right now.

M: Number Three

W: I'd like to make a reservation for two.

M: Sure. Are you okay with window seats?

M: Number Four

W: I booked the movie for 11 a.m.

M: Great, let's get there at 10:30 and buy popcorn and cola.

M: Number Five

W: Will you be doing anything this weekend?

M: I'll go to the theater. The movie I've been waiting for was recently released.

10번 대화를 듣고, 여자가 남자에게 부탁한 일로 가장 적절한 것을 고르시오.

[Cellphone rings.]

M: Hello.

W: Hi, Dad. Are you home?

M: Yes, Sally. What's up?

W: I put a box on my desk in my room. Do you see the box?

M: Wait a second. *[Pause]* Yes, I can see it. By the way, what is it?

W: It's a package I want to return.

M: What's in there?

W: A keyboard I bought, but it didn't work at all.

M: That's too bad. Do you want me to call and request a return?

W: Thanks, but I already did that the other day. The delivery person will come to pick up the box sometime today.

M: Okay. So, you want me to hand it over to the delivery person?

W: No. Could you just leave the box at the front door?

M: No problem.

W: Thank you, Dad.

11번 대화를 듣고, 남자가 사무실의 책상 배치를 바꾸려는 이유를 고르시오.

M: Ms. Smith, it's been a month since you started working here as the manager.

How is everything?

W: It's good, Mr. Kane. Everyone in the office is treating me well.

M: Good for you.

W: Thanks. Is there anything I can help you with?

M: Yes. Actually, I'd like you to tell the staff that I'm planning to rearrange the desks in the office.

W: Do you want to make room for more meeting tables?

M: No. The current arrangement prevents us from seeing each other. If we arrange the desks face-to-face, then we'll communicate better with each other.

W: Oh, I understand.

M: Would you inform the staff that we'll discuss this matter at the meeting tomorrow morning?

W: Okay. I'll tell them about it.

M: Thank you, Ms. Smith.

12번 대화를 듣고, 여자가 지불할 금액을 고르시오.

M: How may I help you, ma'am?

W: I'm in search of a desk lamp for my office. Can you recommend a good one?

M: What about this one? It's 40 dollars, and we currently have a special offer — buy one, get one free.

W: So, if I purchase this one, you'll give me an additional one for free?

M: Exactly! You can have two stylish desk lamps for the price of one.

W: Great! I'll take it. Then I'll get one more for free, right?

M: That's right. Anything else you're looking for?

W: Hmm... I'd also like to find a clock.

M: Certainly. How about this LED clock?

W: I think that would be perfect. How much is it?

M: The regular price is 20 dollars, but I can offer you a 10 percent discount for this LED clock, only for today.

W: All right. I'll take it as well. Here's my credit card.

13번 대화를 듣고, Vincent's Cafe에 관해 언급되지 않은 것을 고르시오.

W: Jason, have you been to Vincent's Cafe? It's the perfect place to hang out on campus.

M: No, I've never been there. Where is it located?

W: It's in the library.

M: Really? I had a meeting there last week but didn't see any cafe.

W: Maybe that's because it opened up just a few days ago.

M: I see. What's it called again?

W: Vincent's Cafe. It's named after Vincent Westwood. He's one of the people who donated money to build the library.

M: Is that so? I should check that place out. Does it offer free Wi-Fi?

W: Of course. That's a must these days.

M: Good. Then, why don't we do our psychology homework there together this Saturday?

W: Oh, it's not open on weekends. How about meeting on Friday?

M: Friday is good.

15번 다음 표를 보면서 대화를 듣고, 두 사람이 선택한 리조트를 고르시오.

W: Honey, let's choose a resort for our family trip. Any preferences?

M: Sure, dear. I think a resort close to the beach would be better than one near the mountains.

W: I agree. I know you and our kids love playing at the beach.

M: Okay. Then, let's check if they offer free breakfast. I think we need that.

W: Definitely. There are four of us, so I think we need at least three rooms to ensure everyone has enough space.

M: Wait. Let's stay within our budget. We can't afford more than 300 dollars per night.

W: Well, I think we've found the right place for us.

M: Looks great. I'll make a reservation for the resort.

W: Good. I can't wait to go on a memorable trip with our family.

16번 대화를 듣고, 여자의 마지막 말에 대한 남자의 응답으로 가장 적절한 것을 고르시오.

W: Hey, Tony. Have you seen the new classroom notice?

M: No, I haven't. What is it about?

W: It's about a garden project in our school. It says that we're going to grow plants in the area behind our school.

M: I think that's a good idea. But it sounds like a lot of hard work.

W: It might be, but I think it'll be fun. We can all experience taking care of the plants.

M: Then, what kind of plants are we going to grow?

W: We're starting with easy-to-care-for plants like herbs and lettuce. If it goes well, we can try growing other things.

M: Oh, I've never seen how those plants grow.

W: Me, neither. It's going to be a great learning experience, isn't it?

W: Yes. I'd love to go to Seoul.

M: Good choice! In Seoul, you can do lots of things. For example, if you're interested in history, you can visit Gyeongbokgung Palace.

W: Sounds good. By the way, Korean food looks really delicious. Are there any good places to try different Korean foods?

M: Then, you must visit the Namdaemun Market. It's one of the oldest and largest markets in Korea. You can try many kinds of Korean food there.

W: That's great! Actually, I want to enjoy the view of the city. Can you recommend any tourist attractions for me?

M: Sure, Namsan Tower is the perfect place. You can look out over all of Seoul.

In this situation, what would Alex most likely say to Sarah?

【19-20】 다음을 듣고, 물음에 답하십시오.

W: Hello, I'm Dr. Jordan from the London Science Museum. Today, I'm going to talk about some heavenly bodies that help the survival of human beings. The first one is the Sun, the most central and important heavenly body in our solar system. It is the source of the essential energy for life on Earth. The second one is Jupiter, the largest planet in our solar system. Due to its strong gravity, Jupiter attracts lots of asteroids, which are minor planets. Therefore, it protects us from them crashing into the Earth. The third one is Mars. People consider it as the most likely candidate for a place to live other than the Earth. Lastly, thanks to the Moon, we have the tides, an essential phenomenon for the survival of life on Earth. Which one do you think is the most helpful to human beings?
